success
as a
DocuWare
Partner

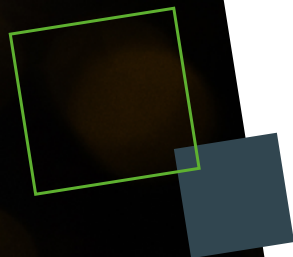

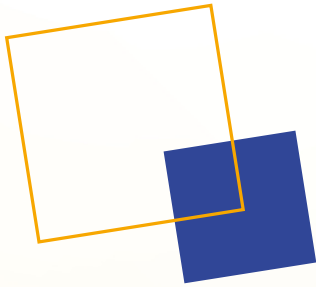

Success. Profit. Growth.

- Do you want to **stand out** from your competition?
- Do you want to achieve **higher profits**?
- Do you want to **expand** your technology portfolio?

DocuWare is what you need.

Benefit from our attractive and lucrative partner programs and have a successful future with **DocuWare!**

A renowned brand with high-performance solutions

Companies in all industries rely on **DocuWare's** software solutions for digital document management and workflow automation.

The numbers speak for themselves: every day, more than 17,000 customers and 650,000 users worldwide use DocuWare in the cloud or on-premises.

We have also been working successfully with our partners for more than 30 years. They have supported their own customers in optimizing their core processes, achieving impressive margins and double-digit growth rates.

DocuWare products are demonstrably among the best solutions on the market. Our customers see it that way too: our customer retention rate is 95%.

Become part of this success story and offer your customers excellent products that are easy to use, easy to install and easy to sell. Because no matter which system your customers use, **DocuWare** has over 500 integrations for ERP, CRM, HR systems, email solutions, team portals and more.

Not only will you be able to sell DocuWare solutions, you can also sell your own expertise in the form of services and consulting.

ORACLE

Sage

Your sales and growth opportunities

According to industry analysts such as Gartner, the market for document management and automation workflows is valued at around \$10 billion and has an annual growth rate of 13.5%.

Are you a value-added reseller (VAR), a system house, a service provider, IT specialist or integrator? Ride the digital transformation wave with us and help your customers achieve greater efficiency and productivity with leading **DocuWare** solutions.
